

# DEAR WAYPOINT FAMILY,

We wanted to get a message out to you as soon as possible with more details about what you can expect from your church over the coming weeks. **DISCLAIMER:** the following plan is based on the information we have as of today (March 16) and is subject to change as our nation's response to the Coronavirus develops. Rather than trying our best to predict the future, we want to err on the side of caution so that you can make long-range plans for your family.

**In accordance with the recommendations from the CDC and our local government officials, we have decided to suspend our Sunday-morning gatherings for, at minimum, the next 8 weeks. Any and all Waypoint events, on-campus meetings, and services within this 8-week window will also be canceled.** That means from at least March 16-May 10, we will be canceling all campus-specific activities and meetings, as well as community events and efforts, including:

- All Sunday-morning worship services (March 22-May 10)
- All on-campus Small Groups and Bible Studies (March 22-May 10)
- All on-campus Care Classes, Core Classes, STEPS, and Counseling meetings (March 22-May 10)
- All Midweek gatherings for Waypoint Students (March 22-May 10)
- All on-campus WayKids events (March 22-May 10)
- Worship Night with Corey Voss (March 20)
- Young at Heart (March 24 and April 28)
- Free Tax Clinic (March 28)
- Easter Egg Hunt community event at Central Elementary (April 4)
- All three Easter worship services (April 12)
- Discover Waypoint (April 16)

If you know of a planned event or meeting within that 8-week window that doesn't appear in the list above, it's safe to assume that it's canceled, but please do not hesitate to reach out to the event or ministry leader for confirmation.

With that said, we are committed to connecting with you digitally in the following ways every week from now until May 10:

- Host digital Sunday-morning services with worship and teaching on YouTube and Facebook beginning this Sunday at 9:00 AM
- For the next six weeks, host a live "Gospel Fluency" Core Class via Facebook Live with Scott Grossenbacher (Discipleship Pastor) and Julie Sullivan (Children's Minister) beginning this Wednesday at 6:00 PM

- Release a short devotional Monday-Friday on our Waypoint Church Podcast beginning next Monday at 7:00 AM
- Release regular ministry updates on all of our social media accounts with information about future plans, events, and services

These plans are subject to change based on local and national policies, precautions, and plans. We are paying close attention to the facts of the Coronavirus situation and will shorten or lengthen our plans when determining the wisest course of action.

You might be thinking, "*What can I do to help?*" Please continue to pray for, love, and serve the people in your life that are most affected by this situation. Also, please continue to give—without the faithful, committed giving of our church family, we will struggle to serve our community effectively and comprehensively. Finally, please pray for us as your church leadership as we continue to lead Waypoint through the days ahead of us.
